

Dear parents and students,

I hope you have been doing well.

Due to the COVID-19 Pandemic, all the **classes will be offered online** with our great faculties, the same schedule and by using the Zoom platform.

Registration for Summer Camp 2020 classes is still open online at www.AdvanceAcademyHouston.com. The 2020 summer's session 1 & 2 are:

- Session 1: June 8 – July 3 (4 weeks)
- Session 2: July 6 – July 31(4 weeks, repeat of Session 1)

Our existing faculty is unchanged and our current teachers will be teaching the same classes that were offered previously. This summer, we will offer all classes offered in Summer 2019, Fall 2019 and Spring 2020. In addition, we will offer many new, exciting classes in Math and Science, Social Studies, Fine Arts, Foreign Languages, and advanced enrichment activities such as **AP Human Geography, Java I and Web Design**. We are very excited to have many distinguished faculties join us again this summer, including teachers from the St. Jone's School and Strake Jesuit College Prep!

Thank you for choosing Advance Academy.

Best Regards,

Howard Xu PhD

Director
