

2023 Summer Registration Open - Advance Academy

Dear parents and students,

It is my privilege to welcome all new and returning students to Advance Academy's Summer Camp 2023. With your support and students' engagement with our top-level instructors, Advance Academy had an outstanding Spring session 2023. This summer, we continue to have an **on-campus and online** summer camp to support students who don't want to go to the campus or are not in the Houston area.

Registration for Summer Camp 2023 classes will be open from March 10th, 2023 to June 4th, 2023 online at <http://www.advanceacademyhouston.com/Registration.asp> or at our office (6203 Corporate Dr., Houston, TX 77036) from 11:00 AM - 6:00 PM. Please review the attached class schedule for full information on class times and registration guidelines.

On Sunday, March 19 at 1:00 PM (Central Time Zone), Advance Academy will hold an online **open house** on Zoom. The Zoom Meeting ID is **363 298 8873**.

Right after the open house at 1:45pm, our expert college counselor Mr. Saltzman will have a seminar on **"Navigating Today's Selective College Admissions Process."** Please be there on time.

The summer camp will be structured as follows:

- **Session 1: June 5 - June 30**
- **Session 2: July 3 - July 29**

- **Classes held Monday through Friday each week, 8:00am - 5:30pm**
- **Shuttle bus service available to pickup/drop-off Katy, Sugarland, Cy-Fair, Pearland and Medical Center students (details to come)**

Our existing faculty is unchanged and our current teachers will be teaching the same classes that were offered previously. This summer, we will offer all classes offered in Summer 2022, Fall 2022 and Spring 2023. We are very excited to have many distinguished faculties join us again this summer, including teachers from the St. John's School and Rice University Summer School program!

I welcome all new and prospective students and their parents to our educational community, and I hope to see you in class and fun activities this summer. You will have tremendous and fruitful learning opportunities at Advance Academy.

As always, please don't hesitate to contact me if you have any questions.

Best Regards,

Howard Xu PhD
Director
Advance Academy
